

## What kind of designer are you?

QUIZ

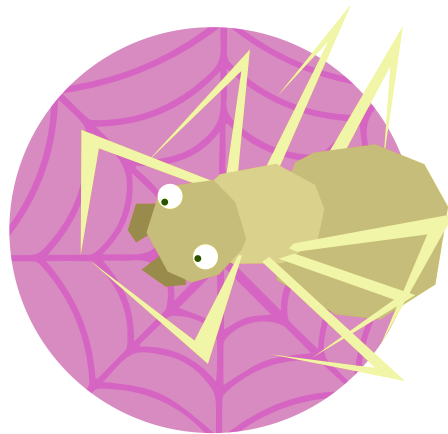

TYPES

BOOKS

YOU ARE A:

# Perfectionist

**For you, all the details matter. You want to make sure every element**  
of an experience works beautifully, so you take the extra time that is  
needed to add those final layers of polish. People might never notice, but  
for you that's not an excuse to not do it.

## UNDERSTANDING

# Perfectionists

**C**

CONVERGE

**R**

REAL

**I**

INDIVIDUAL

**M**

MEASURE

## Key traits:

You enjoy making decisions and working towards the end result

Your work helps to craft the final design

You often want to work alone to think things through

You like decisions to be based on data or insight

## Watch out for:

Have you fully explored all of the possible options?

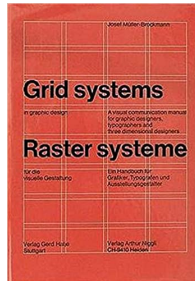

Is there anything else that you could do to build confidence in your work?

How could other people build on your work or help you spot problems?

Have you thought about the things that can't easily be measured?
